

## **Navigation Team Meeting – 01.09.22**

- The new website layout was decided upon and it was discussed that it needs to be fully accessible
- Photographs of the FfM churches to be submitted for landing page on the new website
- A team meeting between Nav Team/St Helens FfM and SJH staff would be beneficial.
- Growth Team have distributed posters & flyers to churches for Cultivate sessions.
- Support Services – concerns regarding the Finance lead (ie asking a lot of a volunteer) have been passed on for comment.
- Structural Team – Information has been sent to Synod to keep them updated on FfM
- RBT - Their last community visit was today. Great achievement to visit all the FfM churches over the summer. They will now prepare their report and a draft version should be available in October.
- Safer Recruitment & Portfolio Teams – No update available
- Communications – the quotes received for the new website from the tender were far too high, so it will be done in-house. It was agreed that it should be managed well locally and communications need to be good. It was decided that a small 'communications team' is required to maintain the website/social media etc. If people are interested in doing this, they should email Nav team at [westderbydeanery@gmail.com](mailto:westderbydeanery@gmail.com)
- The name for the new parish was briefly discussed and all were asked to consider how best to proceed with this. Should the Nav team come up with a list and then ask the parishes to select their 'favourite' one? Should the parishes be asked to submit suggestions? This needs to be looked at in the coming weeks.
- It was agreed that a meeting with St Helens FfM team and SJH staff would be beneficial for a team brief. This would be with the Navigation Team only at this stage.
