

## **Navigation Team Meeting – 11.08.22**

- Safer Recruitment – both volunteers and paid staff need to be safer recruited and undertake national safeguarding training. Some will also require DBS checking.
- Service of celebration/roadshow/surgeries/workshop event(s) to be worked out. Could be after a Sunday service or at a different time to encourage people to be involved with FfM process
- Next Growth Team meeting is 14 September, concerns around the frequency of these meetings and them being ready before Cultivate rolls out. Once publicity is ready, all parishes to advertise on all media available to them.
- RBT visits continue and should be completed by the end of August. Feedback has been positive.
- Support Services Team – no update available
- Structural Team – no update available
- Unconscious Bias Training has been requested for Navigation Team members.
- Volunteer role description has been released today for Finance Team Leader to oversee the transition into one larger parish. Could DMPC look at EOI forms and approach somebody from there?

Next Nav Team meeting - Thursday 18<sup>th</sup> August 2022, 7pm Zoom

FfM Prayers – All Saints Stoneycroft
