

Navigation Team Meeting – 17.11.22

- Portfolio Leads – some have been appointed but still short of people willing to take the lead. Team leads will need to do initial phone 'interview' with prospective team members, send role description to candidate in order to follow safer recruitment process.
- Vision Process update - After the Portfolio leads are in place, set up a marketplace event in the new year for people who have expressed an interest in the portfolios. Date to be set mid-December.
- Parish Name process – document sent to all clergy with guidelines for selecting the new name. Initial suggestions need to be sent in by 5th January 2023 and a max of 3 suggestions per church. Nav team will consider all suggestions by 12th January 2023 and if there is a clear preference, this will be announced by 13 January. If not, Nav team will produce a shortlist of 3 names and circulate to PCCs who should respond with their preference by 1st February. Nav team will consider PCCs preferences, make the final decision, and advise PCCs by 2nd February.
- Growth Team Update/Cultivate: - The additional session 9 of Cultivate will consist of 1-2-1s in St John K/A on Mondays and St Andrew's Clubmoor on Wednesdays.
- Right Buildings team: - The proposal has been sent to all PCCs and is being considered.
- St Andrew's Community Network has been in touch regarding potential spaces they can move into.
- Structural & Support Services: - Unable to circulate the draft Deanery Plan due to some paperwork being missing regarding St Paul's Croxteth. St Christopher's need Bishop's Representatives as they currently have no PCC.
- Working More Closely Together: - A survey to churches to understand what is happening Deanery wide in terms of Heating/Sharing worship space. St Christopher's will be sharing with Good Shepherd for the winter. Other churches have had a conversation regarding this but no further action taken at this point in time.

- Comms Update: Ultimately hoping that the website will be a 'One-Stop Shop' of all that is happening across West Derby Deanery.

Next Nav Team meeting - Thursday 1st December 2022, 7pm, Zoom

FfM Prayers – Wednesday 23rd November 2022, 7pm, All Saints Stoneycroft
