

Navigation Team Meeting – 25.08.22

- Parishes to continue advertising and encouraging Cultivate
- Spreadsheet re: PGS to be made available to GA secretaries and Treasurers.
- All Navigation Team comms to be sent by email AND also Discord and vice versa so the user can decide which platform they prefer to use.
- RBT almost completed the community visits; team working well together with a good mix of skills
- Growth Team issued an apology for the wrong wording on the Cultivate information email. It was originally designed for St Helens and the wording was an oversight.
- Support Team have provided a spreadsheet with information on regarding % of regular donors who give through PGS. Would this be beneficial for Navigation Team to have? Important to get gift aiders to switch to PGS is key message.
- Structural Team - Have not met this week, so no update available.
- Safer recruitment - Safeguarding Team are happy to have been involved with the proposals of our paperwork regarding the process of new parish recruitment. Safeguarding Team appreciate that the Navigation Team are taking Safeguarding seriously.
- DeMPC - 3 dates have been set up for meetings and Synods up until end of January 2023. Committee members are being notified of the dates.
- Communications - The tender has gone out for the new basic website. The URL will be: www.westderbyfitformission.co.uk Hopefully we will have something to look at next week
- Navigation Team Communications - Discussion about too many comms in too many formats. Not everybody likes to receive by email and discord. Agreed that communications should be sent via both platforms. Should the Navigation Team notes be available for all to access? Would highlights be better instead? Should they be available on the website? Team agreed to think this over and bring it back next week.
- Coaching - Need to consider how the Navigation Team supports the wider, larger parish. The Personal Resilience course is in October not September. Navigation Team will consider the coaching needs of the wider parish including the transition from PCCs to worshipping community leadership teams. Would coaching be beneficial to the Worshipping teams?
- Net Zero - The Justice department are arranging a conference on 24 September 2022 from 10.30am – 4pm. There are a limited number of spaces available if we can think of anybody in the deanery who may be interested in attending.

- Finance Team Lead - A few people have been approached across the deanery who would be suitable for the post, however they unfortunately lack the capacity to be able to take the post on. Agreed to approach the Deanery fundraisers to see if they can source funding for the role. In the meantime, continue to think of any suitable persons within the deanery.
- Sadly, one of the Clergy will be leaving the West Derby Deanery to take up a new post in Sefton. No leaving date has been announced yet, although a post-Christmas date is being encouraged. The news was announced last Sunday and they will be a great loss to the Deanery. For the Nav Team does it need to be a clergy replacement or can we appoint a lay person to replace clergy person? DeMPC will be asked to make the decision regarding this.

Next Nav Team meeting - Thursday 1st September 2022, 7pm Zoom

FfM Prayers – Wednesday 31 August 2022, 7pm, All Saints Stoneycroft
